MESSAGE FROM PASTOR CALEB:

God thank you for Propel and each and every kid that we get the chance to minister to we pray that you would bless each kid and their family this week. As they get ready to start a brand new week of school we pray that they would go in you and your word in Jesus name. Amen.

ACTIVITY: BIBLE STORY REVIEW

WHAT YOU NEED: BIBLE

What You Do:

- Read the verse together out loud a few times.
- Encourage your child to create a rhythm by clapping once, followed by two snaps.
- Direct your child to say the first word of the verse AS they clap the first time then snap twice.
- Then they say the second word as they clap then snap twice. Have them continue, only saying the word on the clap and pausing to snap until the entire verse is recited.

ACTIVITY:You Or Me WHAT YOU NEED: Bibles, painter's tape, and beanbag

What You Do:

- Make sure your child has a Bible.
- Tape three concentric circles or squares to make a target on the floor.
- About two feet away from the target, tape a small start line.
- Instruct your child to line up behind the start line.
- Give your child a beanbag.
- Take turns tossing the beanbag at the target.
- If your child makes it anywhere within the target, direct your child to say the memory verse.
